

Chrome towel rails

Melody bathroom accessories

A new type of rails with chrome finish, specially created for the designer radiator Antika Cube. This rail is fixed between the vertical profiles of the heating body, which dry up the hanging textiles effectively. The rail complements an elegant visage of the radiator and fulfill a practical function at the same time.

Material	stainless steel with chrome surface
Diameter	ø 22 mm
Placement	mounting on the radiator

TYPE	ORDERING CODE
