# Pillar Pillar with hooks

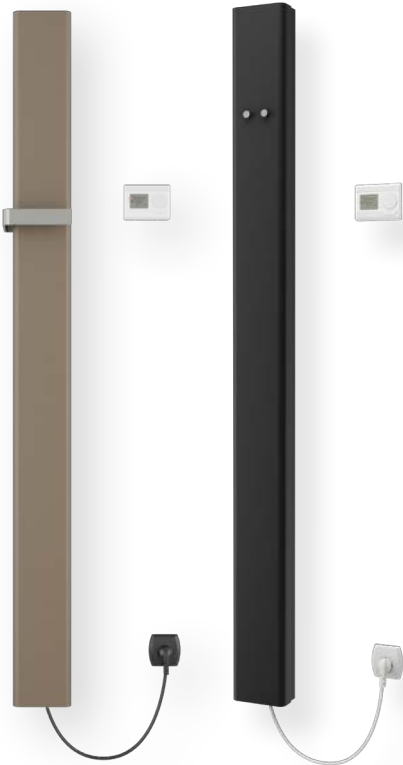

Introducing the new Pillar electric heater with heating foil. The heating foil facilitates immediate heat build-up, ensuring fast and efficient heating. The radiant heating generates pleasant and cozy warmth throughout the indoor space. A wireless thermostat makes operation easy and convenient, allowing for quick and efficient temperature control. Its minimalist design is a great fit for any interior style. Moreover, the option of combining multiple heating units adds an intriguing design element to the space. Available with hooks matching the unit's color and a rail.
