[83]

**S03**  
copper  
[62]

**S05**  
silver  
[64]

Metallic colors such as gold, silver or copper will lend your bathroom an exceptional and luxurious look, brightening it up while bringing a stylish twist to the entire space. It is well suited for fittings, tile details, textile accessories and lighting, as well as for radiators.

Metallic colors can transform your ISAN radiators from purely practical elements into **designer pieces** that will lift your bathroom to the next level.
